The mission of the Graduate School of the University of Maine is to produce engaged scholars and professionals by promoting excellence in all aspects of the graduate student experience. The School provides advanced education and professional training through innovative teaching, mentorship, research, and creative activity in established and emerging areas. This rigorous education prepares students to contribute meaningfully to the advancement of the state of Maine, the nation and the global community.

During and after graduate training, accordingly, the Graduate School's doctoral, masters, and professional-certifications degree programs will enable students to:

-
- Contributing research, scholarship, creative work, and informed practice to our developing understanding of the social and material world;
- Staying abreast of methodological, pedagogical, and professional advances;
-

employers, coworkers and the broader public; and
