

Satisfactory Academic Progress for Graduate Students

WHAT IS EXPECTED?

Graduate students must maintain a minimum cumulative GPA of 3.0 and complete a minimum number of credit hours within a specified time frame. The following table outlines the expected standards for graduate students.

1. Quantitative Standard — Successful Completion of Credit Hours Attempted

A student is considered to be in satisfactory academic progress if the student has successfully completed a minimum percentage of the credit hours attempted.

Attempted Credit Hours	Successful Completion Percentage
1-11	0%
12 or more	10%

2. Maximum Time Frame

Graduate students must complete their degree program within a maximum time frame of 6 years from the date of enrollment.
